

**The IEEE South Alberta Section's Computer Society  
is excited to organize:  
YYC Air Traffic Control Tower Tour**

**The Calgary International Airport (YYC) serves as headquarters for WestJet and as a hub airport for Air Canada and Air Canada Jazz. Come and see first hand what it takes to manage the skies at an international airport. The tour will cover the control tower itself and the simulation center used in the YYC air traffic control center.**

**Date: Monday, November 22<sup>nd</sup>, 2010. Time: 1-2 PM**

**Cost: \$10 for IEEE members. \$20 for non-members (the fee will be collected just before the tour)**

**Location: Calgary International Airport (detailed location will be provided to the participants)**

**Register before November 15<sup>th</sup> by email: [ldoyer@shaw.ca](mailto:ldoyer@shaw.ca)**

**Space is limited to only 11 people. First come, first served.**

**For more information, visit: <http://sas.ieee.ca>**

**Register Today!**
